

JGC Fluor BC LNG Joint Venture's Business Conduct and Ethics Expectations for Suppliers and Contractors

JGC Fluor BC LNG Joint Venture is committed to unyielding integrity and the highest standard of business conduct. This commitment is integral to JGC Fluor BC LNG Joint Venture's continued success, and we believe it positively impacts our suppliers, contractors, customers, employees, and investors, and the communities where we do business.

All of our suppliers and contractors are expected to do what is necessary to understand and comply with these expectations and, in turn, require their suppliers and subcontractors to conform as well. Our mutual success and continuing business relationships depend on it. JGC Fluor BC LNG Joint Venture reserves the right to verify that a supplier or contractor's business operations meet these expectations. Failure to act in a manner consistent with these expectations may impede our ability to do business together in the future.

JGC Fluor BC LNG Joint Venture expects our suppliers and contractors to maintain and enforce policies requiring adherence to lawful business practices that encompass our expectations, as appropriate. These expectations may occasionally be updated or amended.

Health, Safety, and Environmental (HSE)

Our ambition is to be the Safest Project on Earth, and we believe it is achievable! We expect our suppliers and contractors to demonstrate their full commitment to this safety journey. The health and safety of our employees and all personnel associated with our work is our highest priority. Our suppliers and contractors are expected to:

- provide a safe and healthy work environment that supports accident prevention, minimizes exposure to health risks, is in compliance with applicable workers health and safety laws, and minimizes harmful impacts to the surrounding community;
